Please Read: Eatonville Municipal Code 6.10.020 Purpose of Animal Control; It is declared the public policy of Eatonville to secure and maintain such levels of animal control as will protect human health and safety, and to the greatest degree practicable, prevent injury to property and cruelty to animal life. To this end, it is the purpose of this title to provide a means of licensing dogs and cats, and to provide rules regulating these and all other animals so that they do not become public nuisances and are not victims of cruelty.
Eatonville Municipal Code 6.40.070.A Dogs and Cats – Licenses; License Required. It is unlawful for any person to own, keep or have control of a dog or cat over the age of six months whether confined or not in the town without having a current license tag. All dogs must have a current license tag attached to the collar, which is worn by the animal.
