

ORDINANCE NO. 2012-6

AN ORDINANCE OF THE COUNCIL OF THE TOWN OF EATONVILLE, WASHINGTON, ESTABLISHING A TRANSPORTATION BENEFIT DISTRICT WITHIN THE CORPORATE LIMITS OF THE TOWN OF EATONVILLE, SPECIFYING THE MAINTENANCE AND PRESERVATION OF EXISTING TRANSPORTATION IMPROVEMENTS, PROVIDING FOR ADDITIONAL TRANSPORTATION IMPROVEMENTS AND CREATING A NEW CHAPTER 3.22 OF THE EATONVILLE MUNICIPAL CODE ENTITLED "EATONVILLE TRANSPORTATION BENEFIT DISTRICT"

WHEREAS, the Town of Eatonville has responsibility, to the extent of its resources, for the improvement, maintenance, and protection of public ways within the corporate limits of the Town; and

WHEREAS, the improvement, maintenance, and protection and operation of public ways requires providing necessary transportation improvements and preserving existing transportation improvements to avoid catastrophic failure of the improvements which would require significant additional funds to reconstruct, as well as their gradual deterioration; and

WHEREAS, the number one priority in the "Washington Transportation Plan for 2007-2026" adopted by the Washington Transportation Commission ("State Transportation Plan") is to preserve and extend prior investments in existing transportation facilities and the services they provide to people and commerce; and

WHEREAS, the State Transportation Plan identifies that there is no more fundamental transportation investment than existing system preservation – keeping the physical infrastructure in safe and efficient operating condition; and

WHEREAS, the Town has limited transportation funding to pay for necessary transportation preservation and maintenance; and

WHEREAS, the funding dedicated for the preservation and maintenance of the Town's transportation infrastructure has been dramatically reduced in recent years due to the action of several statewide initiatives and a downturn in the economy, however, the ongoing annual costs to preserve and maintain the Town's transportation infrastructure continue to rise making it difficult for the Town to sufficiently address these issues; and

WHEREAS, chapter 36.73 RCW provides for the establishment of transportation benefit districts and for the levying of additional revenue sources for transportation improvements within the District that are consistent with existing state, regional and local transportation plans and necessitated by existing or reasonably foreseeable congestion levels; and

WHEREAS, RCW 35.21.225 authorizes the Town Council to establish a Transportation Benefit District subject to the provisions of chapter 36.73 RCW; and

WHEREAS, the Town desires to form a Transportation Benefit District which includes the entire Town of Eatonville as the boundaries currently exist or are hereafter expanded due to annexation; and

WHEREAS, the Town, after giving proper notice, conducted a public hearing on June 25, 2012, and took public comment regarding the proposed establishment of a Transportation Benefit District in accordance with RCW 36.73.050;

NOW, THEREFORE, BE IT ORDAINED by the Council of the Town of Eatonville as follows:
